1. Did you learn something new?

1. (Continued) If yes, what did you learn? Please explain briefly. Please be sure to include any terms you were previously unfamiliar with (i.e.) "Love bombing", "Gaslighting", "Trauma bonding", "Trauma repetition", or "One-on-One Cult".

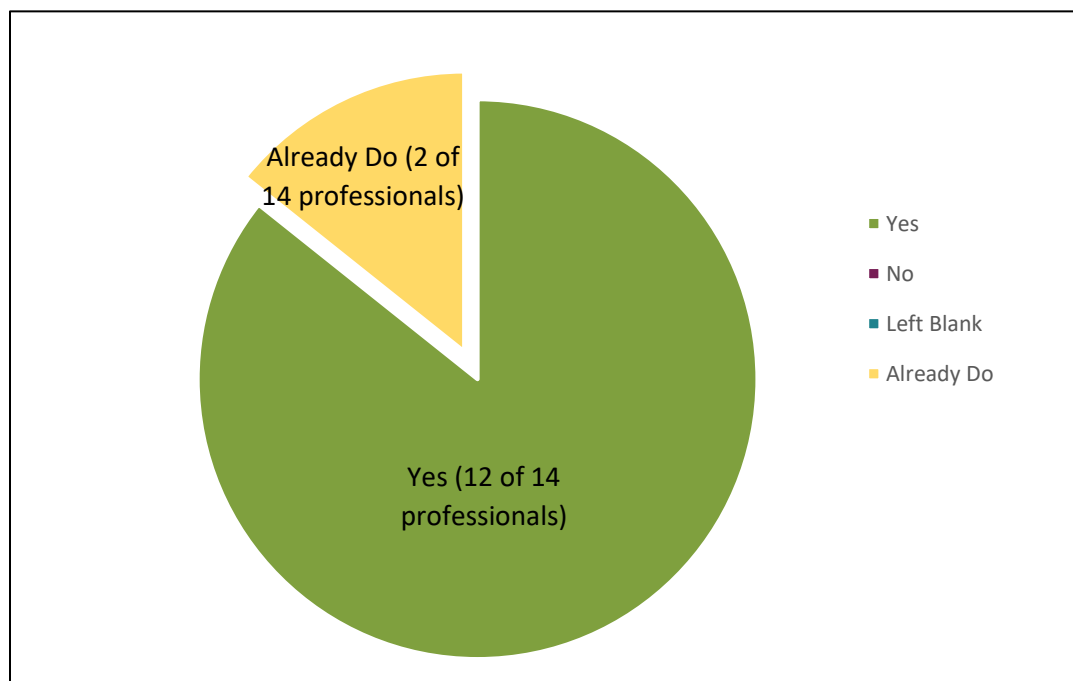

Other answers included:

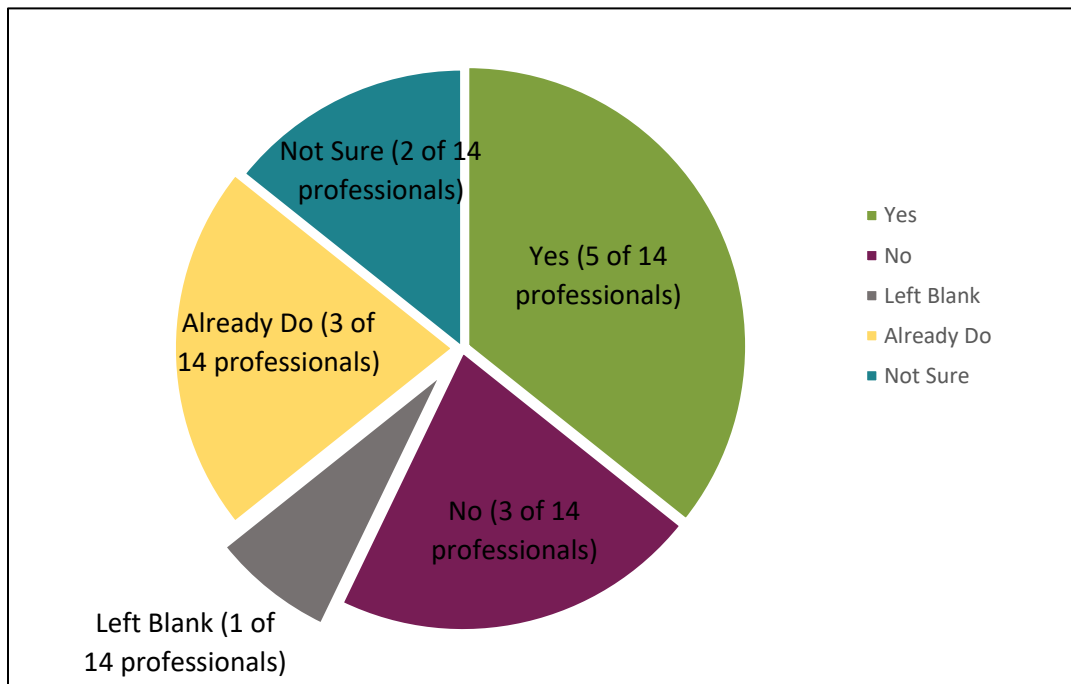

“Need for body involvement for brain to heal.”

“I’m embarrassed that I work in the trauma field and didn’t know these terms but I’m grateful to know them now. I also feel like the layout of your PowerPoint and collaboration of survivor/ clinician as presenters helped me see information in a new way.” - Elisabeth, LCSW, Atlanta, GA after attending Continuing Education Unit Presentation

2. Are you more likely to view your clients’ symptoms through a trauma-informed lens?

3. Are you planning to become certified in trauma-focused treatment modalities if you are not already?

4. Please share what you liked most about this presentation. Comments included:

“Remember to always look beneath the presenting signs for potential underlying trauma. Easy going and informative.” - Philip, LCSW

“Client and therapist perspective.” - Katelynn, LMSW, School Counselor

“The survivor/clinician presenter combination was excellent!” - Elisabeth, LCSW

5. Please share any suggestions you have to make this presentation stronger. Comments included:
