Participant Results

1. Did you learn something new?

1. (Continued) If yes, what did you learn? Please explain briefly. Please be sure to include any terms you were previously unfamiliar with (i.e.) "Love bombing", "Gaslighting", "Trauma bonding", "Trauma repetition", or "One-on-One Cult".

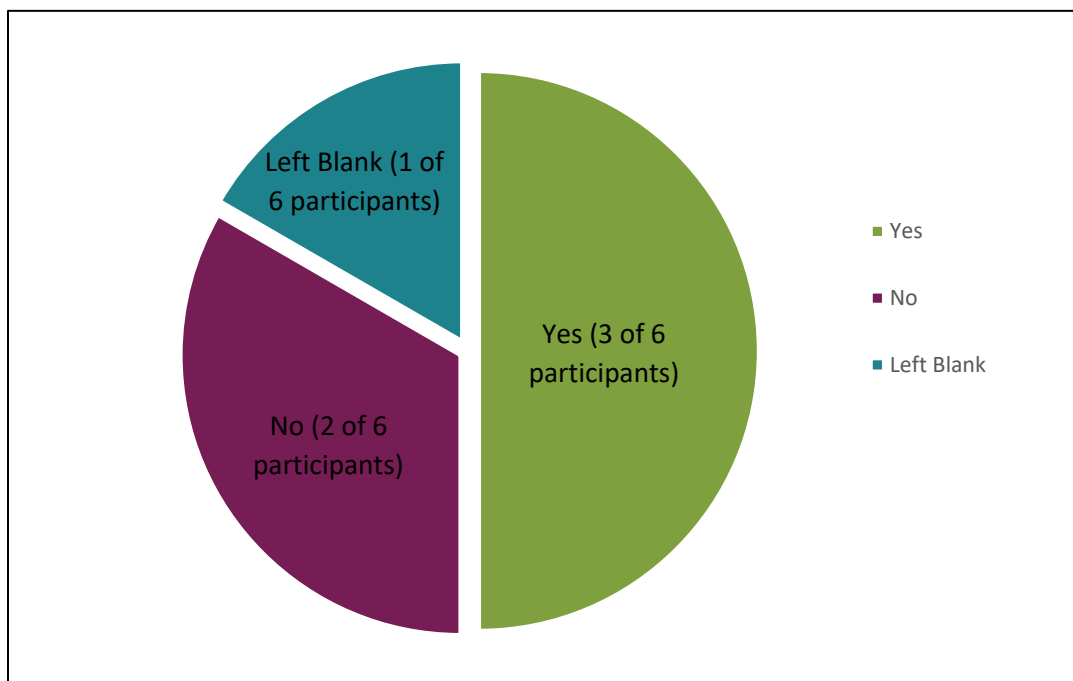

Other answers included:

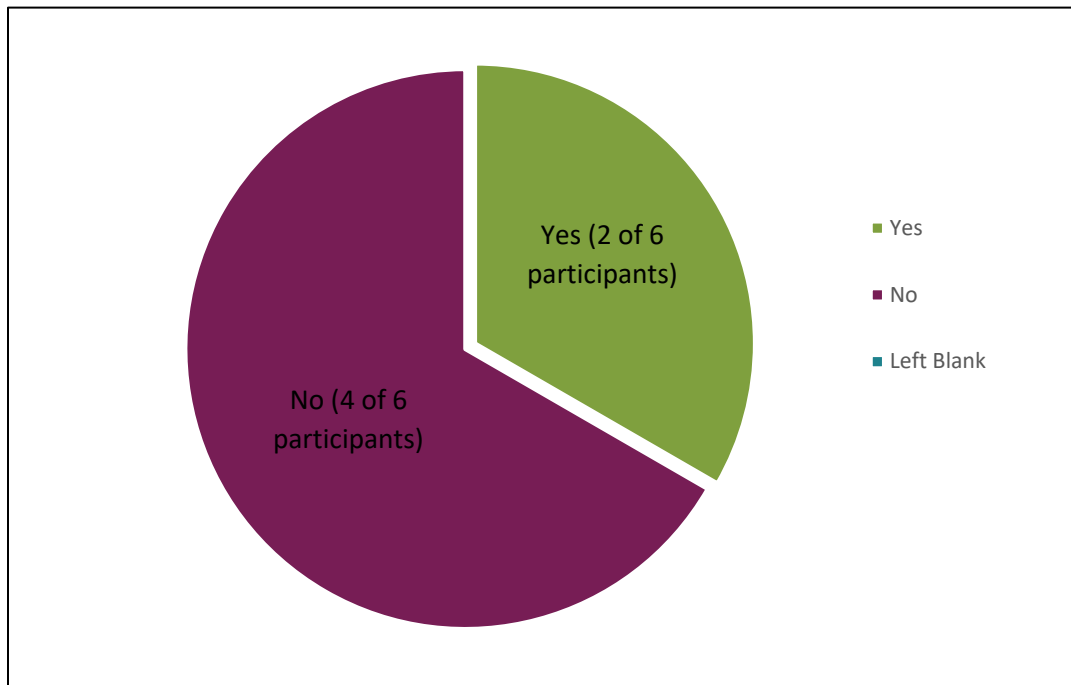

“How trauma affects our brain and how we function and react in life”

“Fight or flight system”

2. Are you more likely to view your symptoms through a trauma-informed lens?

3. Are you planning to try and seek out trauma-focused treatment modalities if you are not already receiving them?

4. Please share what you liked most about this presentation. Comments included:

"[Healing TREE Founder + CEO Marissa's] stories and how she as able to move forward to create [an organization] supporting people going through trauma."

"Hearing about something I never knew exists."

"I liked that [Healing TREE Founder + CEO Marissa] was positive."

"How helpful this therapy [Brainspotting] may be for me to continue growing."

5. Please share any suggestions you have to make this presentation stronger. Comments included:

"No, [Healing TREE Founder + CEO Marissa] did a great job."

"I would like a demonstration on how you actually treat people."

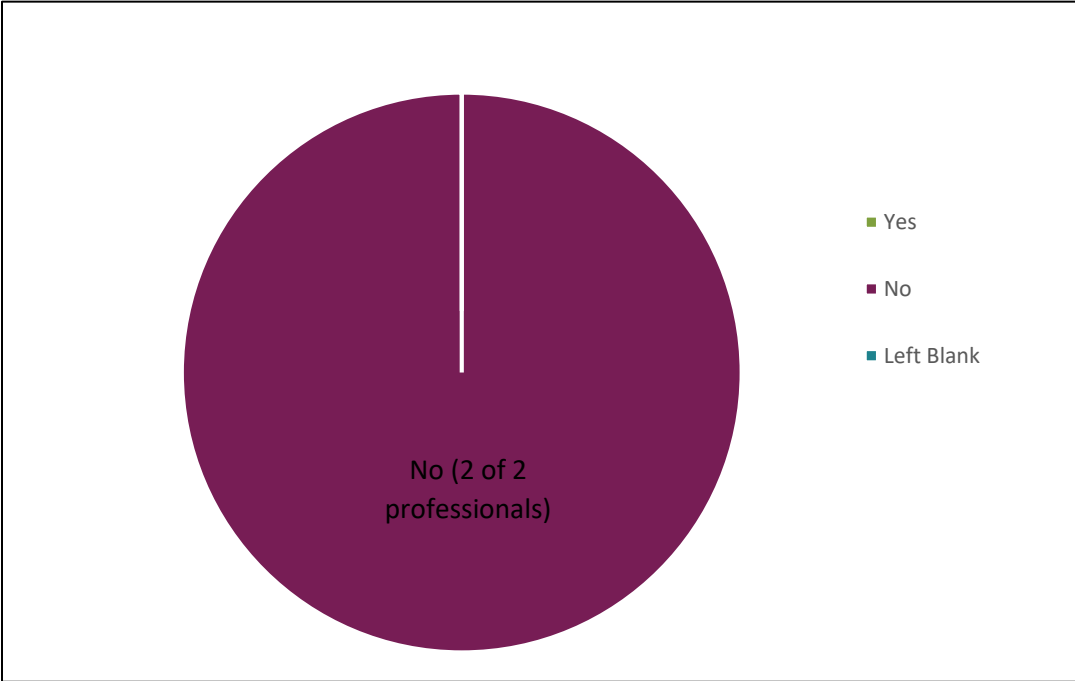

6. If you choose, please briefly share the type(s) of trauma you have survived (i.e. "Domestic violence", "Emotional abuse", "Assault", etc.)

Types of abuse included: *"emotional, verbal, sexual, spiritual"*

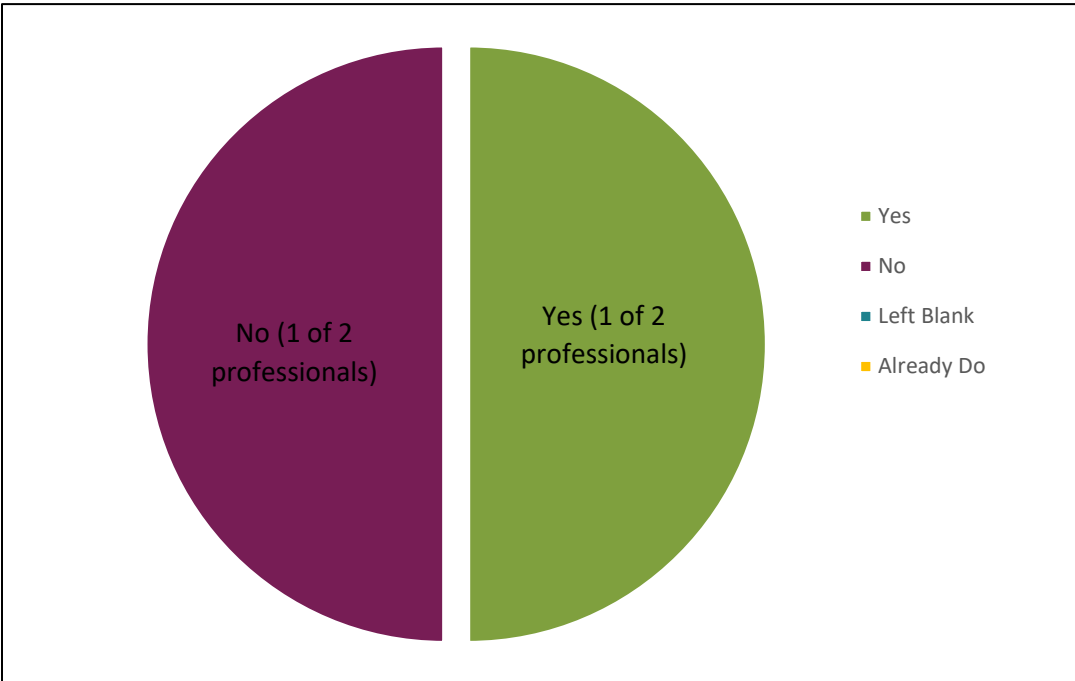

Contexts of abuse included: *"Domestic Violence, rape, assault"*

Professional Results
