Participant Results

1. Did you learn something new?

1. (Continued) If yes, what did you learn? Please explain briefly. Please be sure to include any terms you were previously unfamiliar with (i.e.) "Love bombing", "Gaslighting", "Trauma bonding", "Trauma repetition", or "One-on-One Cult".

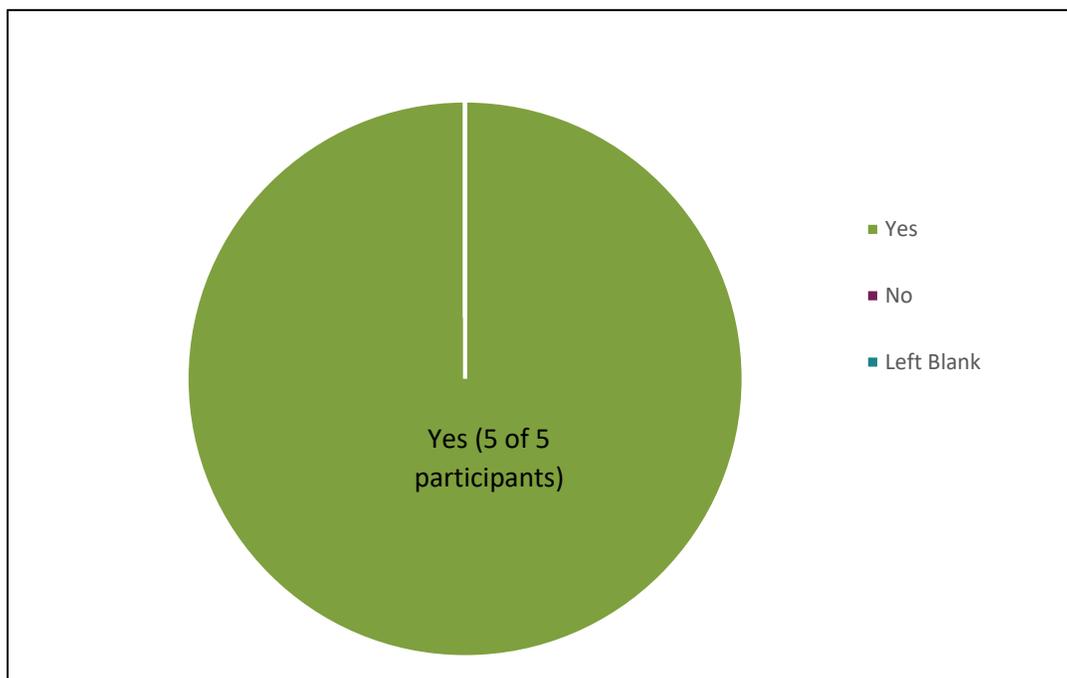

Other answers included:

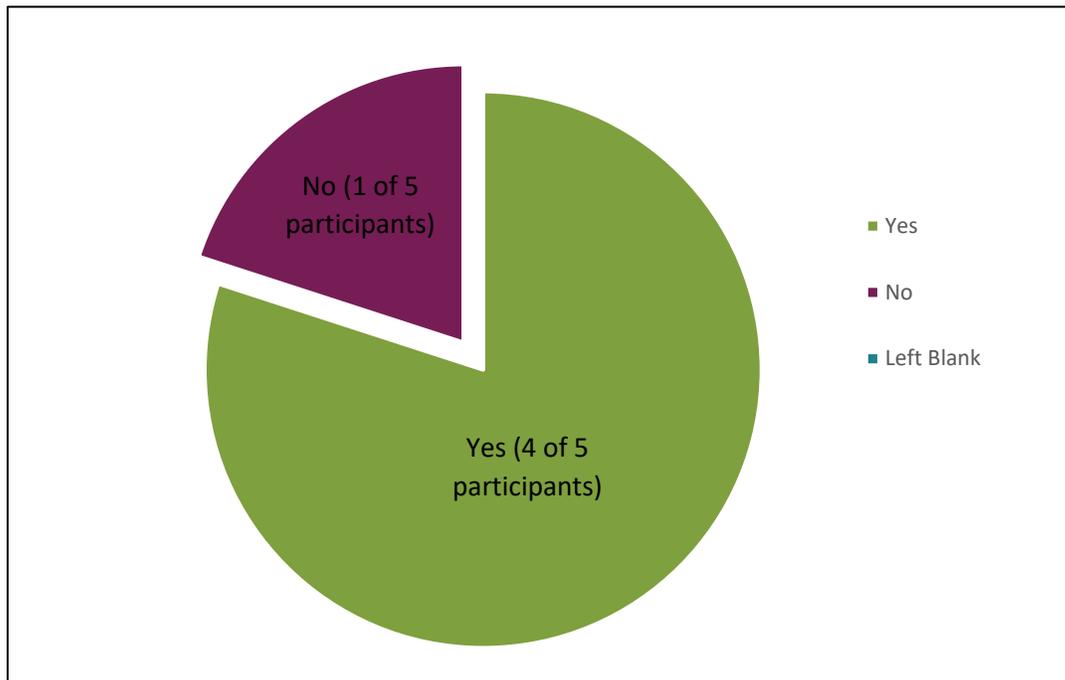

"Different types of [treatment] to help with trauma."

"It makes me look back and try to figure out what was done to me."

2. Are you more likely to view your symptoms through a trauma-informed lens?

3. Are you planning to try and seek out trauma-focused treatment modalities if you are not already receiving them?

**4. Please share what you liked most about this presentation.
Comments included:**

“I really appreciated listening to [Healing TREE Founder + CEO Marissa’s] story and being able to learn about the effects that take place mentally instead of just hearing about it in aspects of what our struggles or tendencies will be.”

“All the scientific facts...I always knew there was a better way for healing.”

“I really like how [Healing TREE Founder + CEO Marissa] spoke about [her] past but not only that but how [she] spoke [about] other symptoms and traumas as well...I was physically and mentally [abused] and [she is] an amazing speaker... I want to go around the world to share my story and also write a book.”

5. Please share any suggestions you have to make this presentation stronger. Comments included:

“[Healing TREE Founder + CEO Marissa] did [an] awesome and amazing job and I wouldn’t change anything that [she] did.”

“It was perfect!”

“None. Thank you! This encouraged me a lot and informed me a lot as well.”

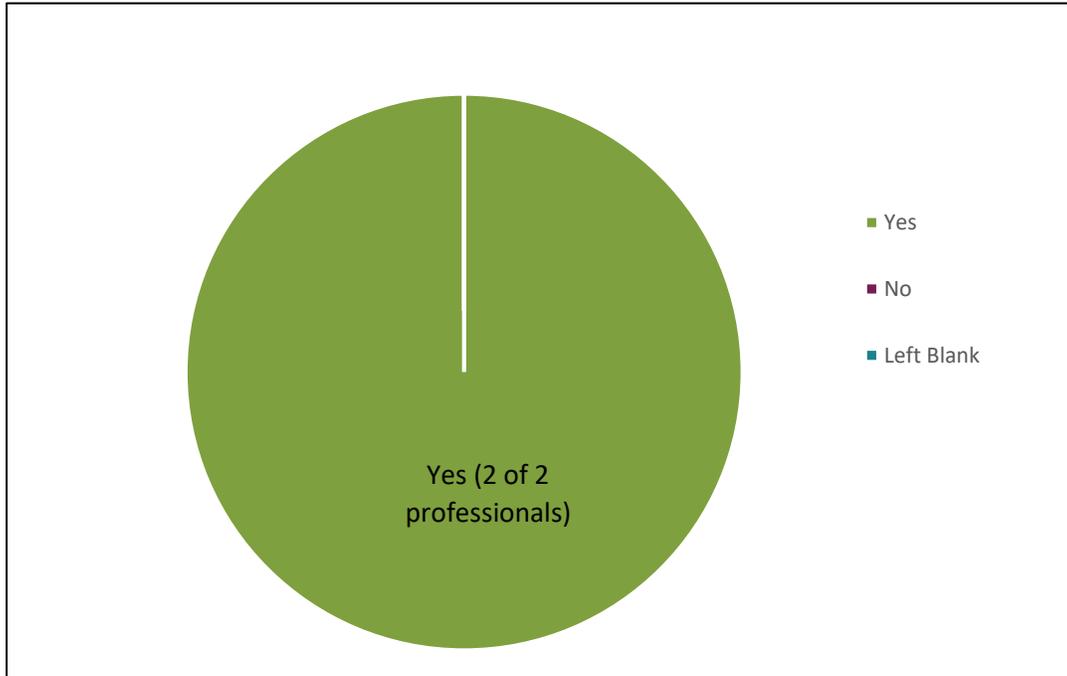

6. If you choose, please briefly share the type(s) of trauma you have survived (i.e. “Domestic violence”, “Emotional abuse”, “Assault”, etc.)

Types of abuse included: *“emotional, physical, sexual, verbal, mental, spiritual”*

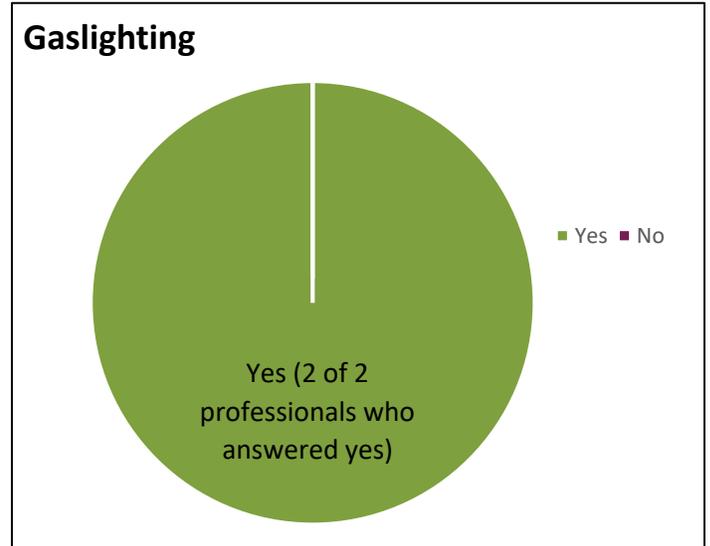

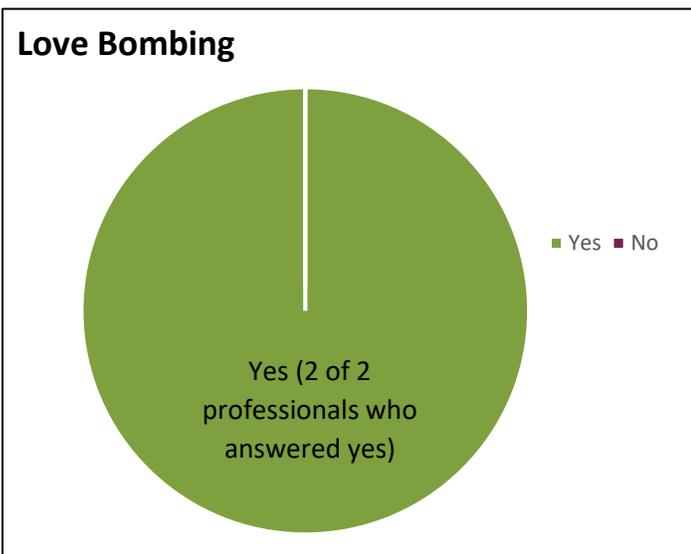

Contexts of abuse included: *“domestic violence, sex trafficking, child abuse and neglect, assault”*
