

Type of Event: EMDR Training Phase I

Audience: Clinicians across The Children's Alliance treating youth in the Kentucky foster system, 95% of whom are below the poverty level

Trainer: Dr. Jaime Marich

Time: 21 total hours of lecture and practicum over three days, including the opportunity to practice EMDR therapy (upon completion of Part 1 training) with certain clients.

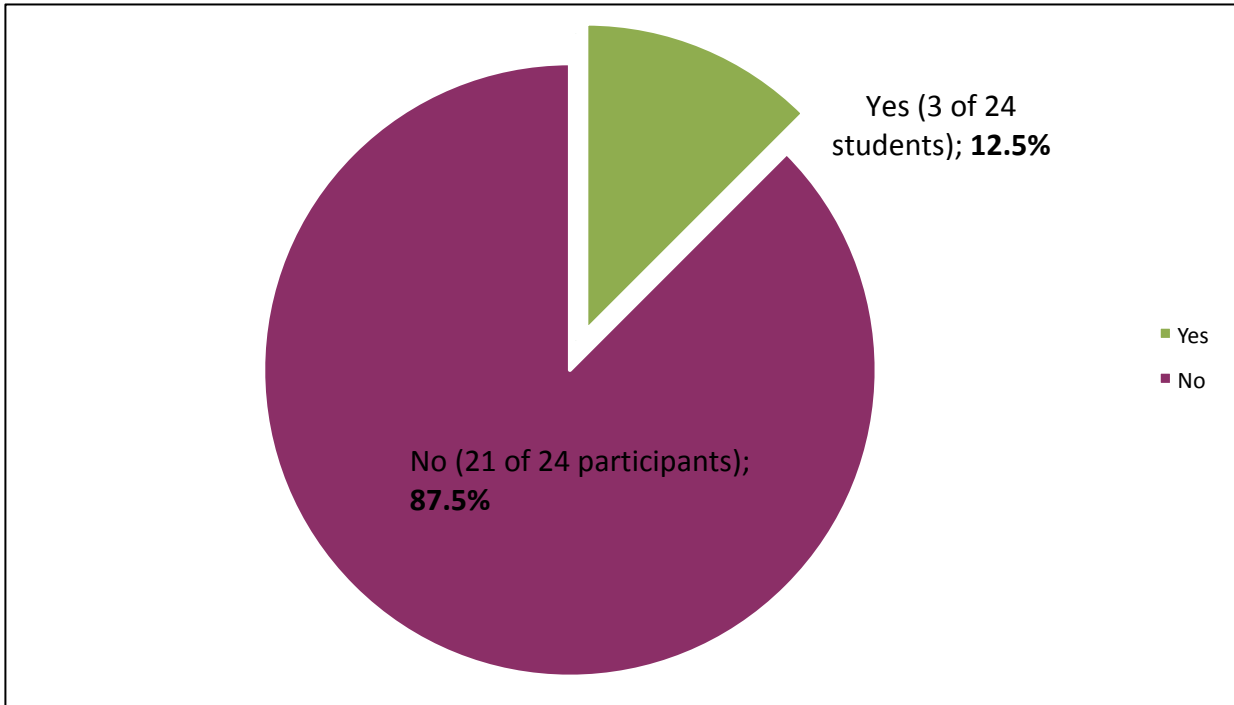

Venue: Maryhurst

Date: September 19-21, 2018

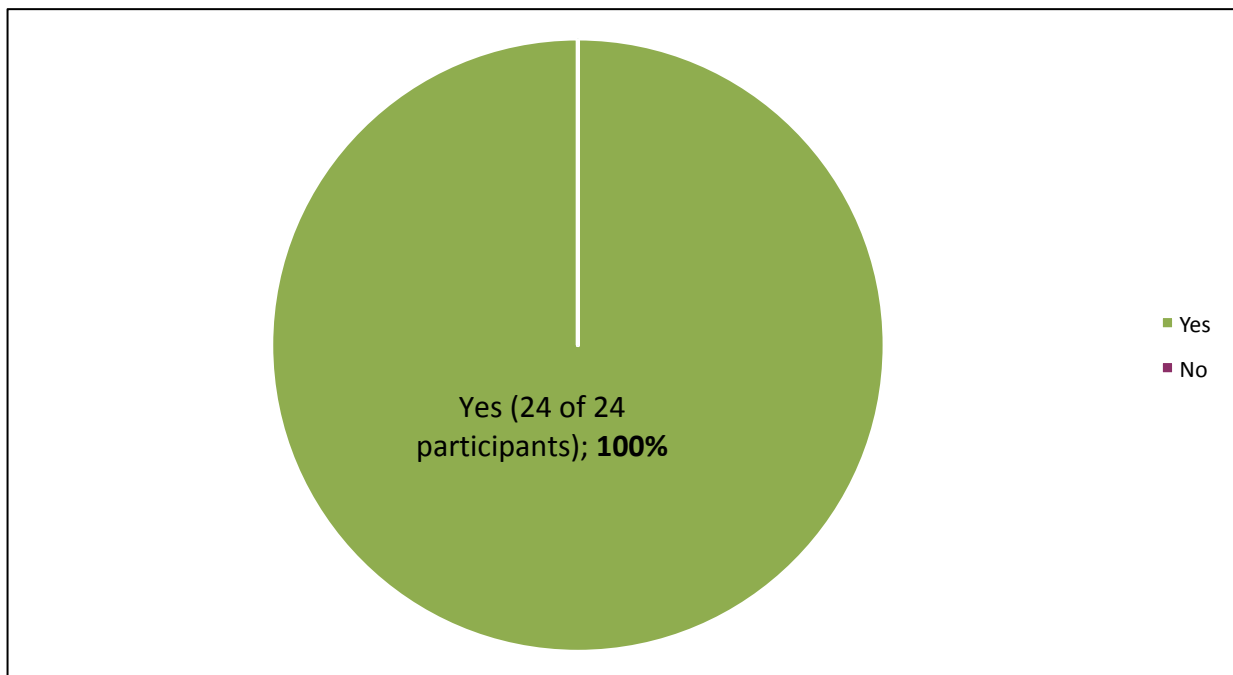

TRAUMA
RESOURCES,
EDUCATION &
EMPOWERMENT

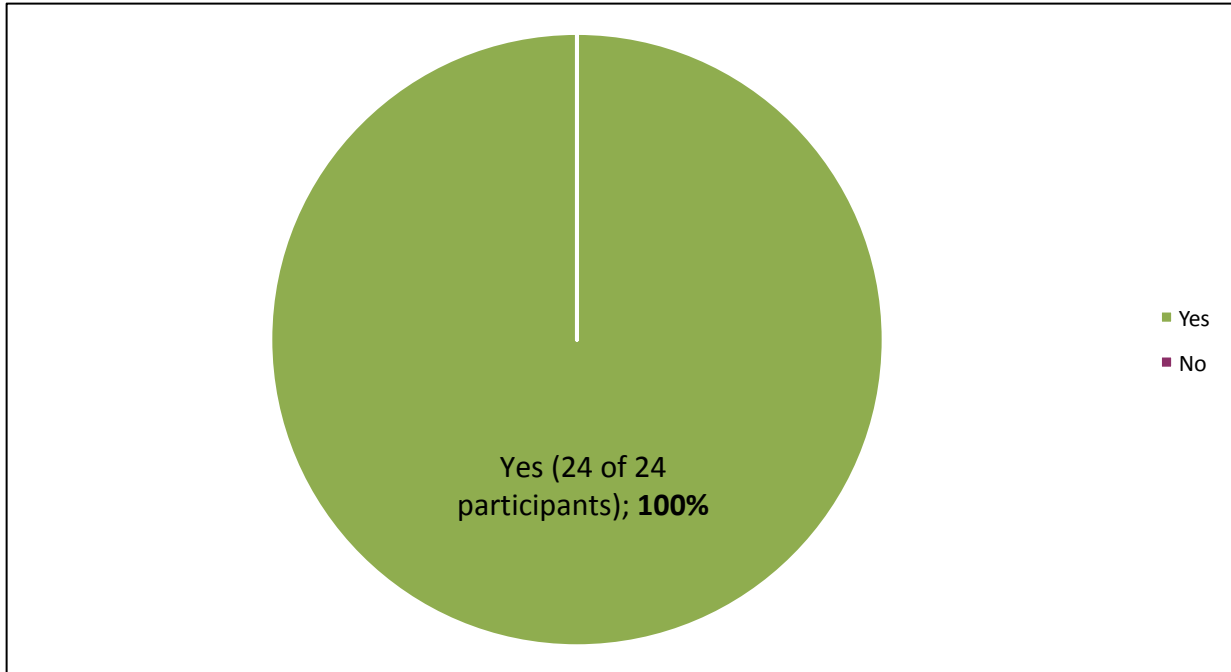

1. Would you have had access to and been able to participate in EMDR Training, now or in the near future, without this offering from Healing TREE, Face It and The Children's Alliance?

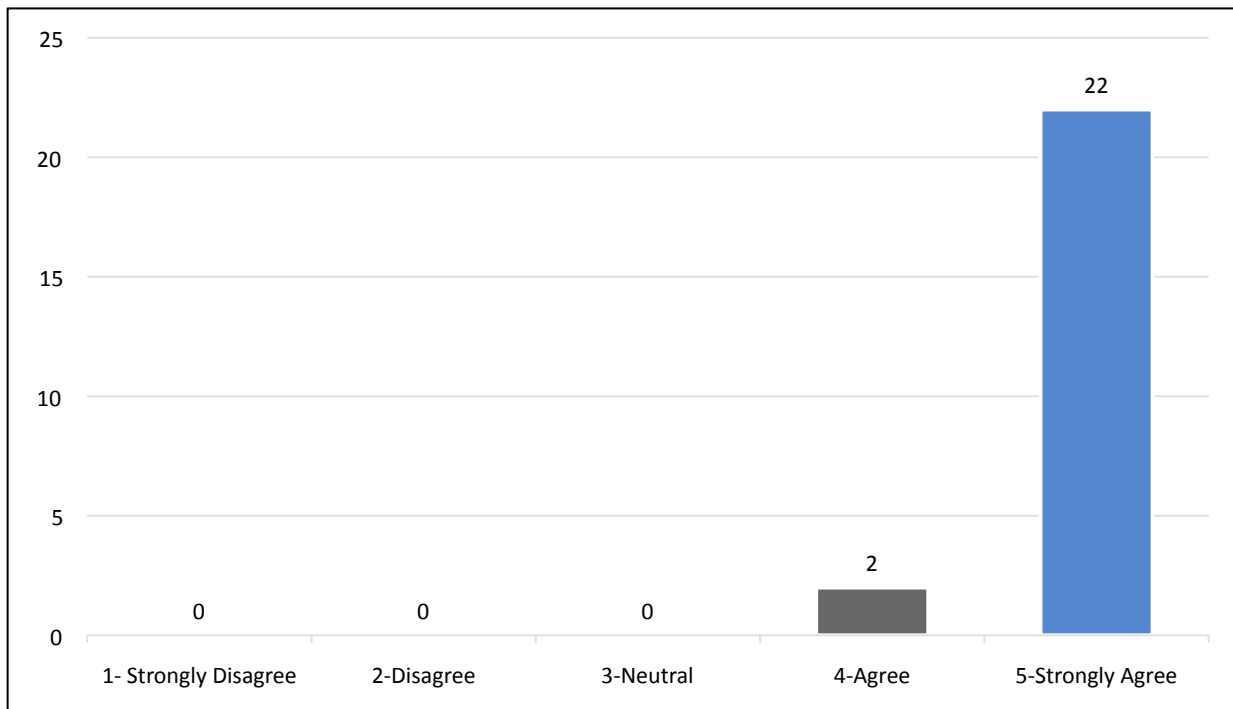

2. Were you wanting training in EMDR before this offering was made available?

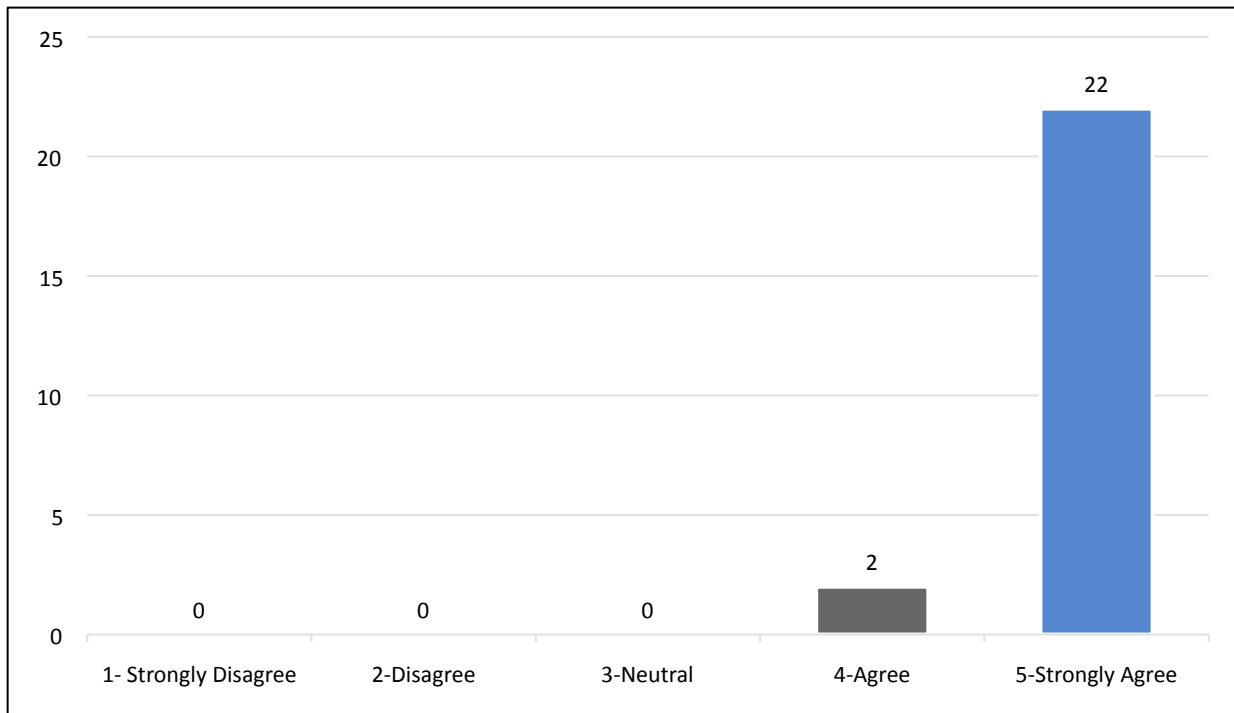

3. Did you learn about something today that you weren't aware of before?

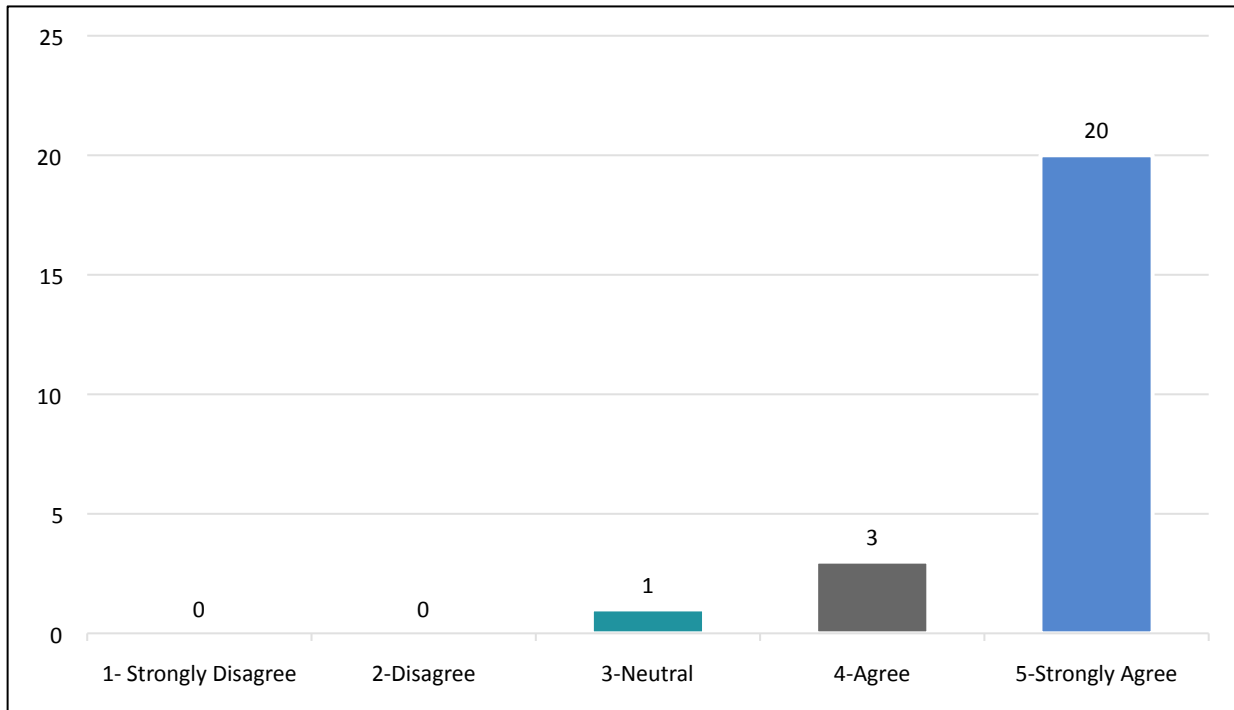

4. This training helped me to understand the process of healing trauma better.

5. This training gave me the tools to begin the basics of treating trauma more effectively.

6. EMDR is different than what I am currently practicing and will add to my practice.

Positive comments included:

“Better understanding of the brain and trauma.”

“I think this will be very helpful in my work and looking forward to using this in my clinical practice.”

“Fantastic trainers and hands-on preparation.”

“AMAZING training!”

“Amazing and very mind opening.”

“Dr Marich is a phenomenal trainer! I am truly grateful to the Healing TREE, Face It, CA and Dr. Marich! I sincerely hope I can pursue EMDR certification when financially able.”

“How needed and important this training will be for probably all my clients.”

“I love this!”

“Can’t wait to get started and this training FAR exceed my expectations.”

“She [Dr Marich] is awesome! The absolute best training I have ever attended.”

“Amazing training and presenter! So grateful!”

Attendee Comments

Question: Additional Comments

- I thoroughly enjoyed this training!
- One of the best trainings I've attended
- Just an all around great training. I'm so excited to continue!
- Excellent training!
- This was the best training I can remember.
- Overall great training experience!

Session Evaluation Report: EMDR Therapy Basic Training: Day 1

Summary

Session Code	W001
Session Date	Thu, Sep 20 8:00 am - 4:30 pm
CE Hours	7.00
Total Attendees	25
Total Respondents	20

Discipline	Attendees	Respondents
Psychologist	1	1
Social Worker	7	7
Counselor	8	8
Marriage & Family Therapist	3	3
Other	6	1

Objectives

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree	Average
To provide working definitions of trauma from the larger field of psychology/psychiatry and according to the adaptive information processing model	13	6	0	0	0	4.68
To discuss the history of EMDR Therapy	10	9	0	0	0	4.53
To explain EMDR Therapy's model, methodology, and mechanism(s) within the context of the adaptive information processing model	9	10	0	0	0	4.47
To list the 8 phases of the EMDR standard protocol	11	8	0	0	0	4.58
To identify the 8 phases of the EMDR standard protocol after seeing a live or video demonstration of EMDR Therapy	12	7	0	0	0	4.63

Learning

	Excellent	Satisfactory	Adequate	Unsatisfactory	Terrible	Average
How would you rate this session overall?	17	2	0	0	0	4.89
	A Great Deal	More Than Average	Average Amount	Less Than Average	Very Little	Average

Question: Additional Comments

Amazing leader !
Amazing course and trainers!
Great training. Best I can remember
This was an amazing training!! Thank you so much!!
Great training!!
Excellent training

Session Evaluation Report: EMDR Therapy Basic Training: Day 2

Summary

Session Code	TH001
Session Date	Fri, Sep 21 8:00 am - 4:30 pm
CE Hours	7.00
Total Attendees	25
Total Respondents	19

Discipline	Attendees	Respondents
Psychologist	1	1
Social Worker	7	7
Counselor	8	7
Marriage & Family Therapist	3	3
Other	6	1

Objectives

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree	Average
To explain how the 8 Phases of Shapiro's Standard EMDR Therapy Protocol correspond to the 3-Stage Consensus Model of trauma treatment originally proposed by Pierre Janet	6	12	0	0	0	4.33
To conduct an EMDR Therapy Phase 1 (Client History) with respect to general, well-established principles for trauma-informed care	11	7	0	0	0	4.61
To define the terms Resource Development and Installation (RDI), "tapping in," and frontloading, and explain their role in EMDR Therapy Phase II preparation	7	11	0	0	0	4.39
To develop a comprehensive, holistic set of stabilization/resourcing skills in Phase II of EMDR Therapy	7	11	0	0	0	4.39
To explain the rationale behind speeds of bilateral stimulation/dual attention stimulus	8	10	0	0	0	4.44
To deliver 3-5 stabilization activities with a client in EMDR Therapy preparation, with and without bilateral stimulation	9	9	0	0	0	4.50
To discuss and implement which stabilization activities are most ideal for those clients with dissociation or complex trauma issues	10	7	1	0	0	4.50
To articulate ideas for obtaining even more exercises and activities for trauma-informed stabilization	10	8	0	0	0	4.56
To complete, under supervised practice, EMDR Phases 1 & 2 with a practice partner; this includes being able to explain EMDR Therapy to a potential client/practice partner in relatable language	10	8	0	0	0	4.56
To assess client readiness for moving from Phase 2 of EMDR Therapy into the reprocessing Phases 3-6	9	9	0	0	0	4.50
To discuss the standard targeting sequence offered in the 2001 Shapiro text for reprocessing traumatic memories	7	10	1	0	0	4.33

Question: What was the MOST beneficial aspect of the conference?

Amber's lecture time were the most beneficial to me. — *Autumn Merriss*

The trainers did an excellent job teaching emdr! — *Elizabeth "Suzanne" Combs*

Knowledge gained. — *Amy Halvorson*

Question: Additional Comments

Never attended better training! It was fantastic! Thanks so much! — *Georgia B Dunn*

The training was amazing. — *Autumn Merriss*

Session Evaluation Report: EMDR Therapy Training: Day 4

Summary

Session Code	S01
Session Date	Wed, Feb 20 8:00 am - 4:30 pm
CE Hours	7.00
Total Attendees	25
Total Respondents	16

Discipline	Attendees	Respondents
Social Worker	9	0
Marriage & Family Therapist	2	0
Counselor	3	0
Psychologist	1	0
Other	10	0

Objectives

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree	Average
To discuss, in general, what it means to be an ethical EMDR Therapist and list three safeguards for ensuring safe and ethical practice	11	4	0	0	0	4.73
To define interweaves and describe at least three situations where using interweaves are useful in EMDR Therapy	11	4	0	0	0	4.73
To list examples of situations within EMDR Therapy where making modifications may be necessary (according to the EMDRIA Definition of EMDR)	9	6	0	0	0	4.60
To describe the types of modifications that might be necessary and appropriate within the "special populations" that individual attendees treat in clinical settings	8	6	1	0	0	4.47
To execute the EMDR 8-Phase protocol under supervised practice and receive necessary instruction about interweaves and modifications (implementing accordingly)	9	6	0	0	0	4.60

Session Evaluation Report: EMDR Therapy Training: Day 5

Summary

Session Code	S02
Session Date	Thu, Feb 21 8:00 am - 4:30 pm
